

Fleece blankets

Short description: Cosy, custom blankets perfect for homeware collections

Long description: Our personalised fleece blankets are made from a super soft 285gsm single layer of plush fleece material.

Each blanket is produced using state of the art dye sublimation printing with archival inks. The blankets are then stitched along the outer edge for a professional and handmade finish.

Standard print on demand fleece blankets are available in three sizes with a choice of white, pastel blue or pastel pink backing.

We also offer a 'giant' fleece blanket that has a white reverse. On this super large, cosy blanket you can print multiple images or one large one - the choice is yours! Pair with our throw cushions to complement your interior designs.

All our blankets can be made within 72 hours and dropshipped to any global location.
