

## 18oz double walled stainless steel water bottles

<b>Short description:</b>	18oz double walled stainless steel personalised water bottles
<b>Long description:</b>	<p>Reusable water bottles are just as popular as ever, especially custom printed water bottles like these. Vacuum insulated to keep drinks hot for up to 5 hours and cold for up to 15 hours, they're 500ml capacity is great for keeping your hydration levels topped up on the daily.</p> <p>Made from double-walled, high-quality stainless steel for durability, our drinking bottles come in four different colours, including black, white, silver, blue and red. A leakproof screw-on lid protects against surprise spillages, while the exterior is specially designed to prevent condensation from forming.</p> <p>We use a 360-degree digital printing method to ensure your design wraps all the way around the water bottle for maximum impact.</p>
