

## Classic framed canvas

**Short description:** Our bestselling satin-laminated classic frames paired with a Giclée canvas print

**Long description:** Create your own custom canvas prints with our classic framed canvas.

Each classic framed canvas print is produced on our artist-grade cotton (400gsm) substrate using a Giclée fine art printing method for a museum-quality finish, then hand-stretched over a 19mm slim canvas frame and encased in our satin-laminated classic frame.

Available to order in sizes ranging from 4x6" to 40x60", our classic framed canvases come with eight frame colour options: black, white, natural, antique silver, antique gold, light grey, dark grey and brown. You can also choose from a selection of canvas wrap options, including black, white, image wrap and mirror wrap.

Looking to expand your canvas wall art offering? Check out our full range of framed canvas prints, which includes our popular float framed canvas and eco framed canvas.

**Care instructions:**

Keep your print away from direct sunlight, as well as reflected light from mirrors, glass etc.

Do not use any form of liquid or chemical products to clean your canvas, even if you have a coating. A soft brush can be used periodically to remove any settled dust.

Make sure your print is displayed at room temperature in a stable, moisture-free environment and is kept at a safe distance from any sources of direct heat such as a fireplace or radiator.

**Packaging:**

All shipments are white-label, with no Prodigy branding on the outer packaging or on any included paperwork.

- Rigid, double-wall corrugated cardboard boxes ensuring maximum protection.
